

To Whom it May Concern: I don't know why the NAB feels threatened by XM Radio. XM Radio is a great product, which the NAB has to learn to compete with. XM Radio is not doing anything illegal. It is a pay-to-listen service, which means that it doesn't matter what XM Radio plays. I highly urge you to now allow the NAB to go through with petition 04-160. It will just hurt the radio industry and America as a whole.

Thank you,
